Gold Coin

- The upper right shows the total gold coin scores earned and number of Bones in your account.
- The gold coin scores account for a large weight in the final airdrop allocation, and Bones can be used to revive in game or consume to unlock many in-game items such as Boosts and skins in rarity.

Gameplay

- First principle: Surf as long as you can, and collect more gold coins!
- Tips #1: Avoid direct contact with rocks, dogs, muscle Doge, geese, running ducks, and flying squirrels.

Gameplay

- Tips #2: Try to step on the head of muscle Doge to collect more Bones. Be skillable :)
- Tips #3: You can click the button in the lower right corner to use Boosts. Shield can withstand one time damage, while Magnet can help you absorb all nearby gold coins.

Collect
Score!

- Tips #4: Final scores of each game = meters x gold coins x skin multiplier x coin doubler (if purchased).
- Revive: Whenever you are defeated, you can choose to consume a certain number of Bones to revive, which can really help you run further, collect more coins, and earn more points!

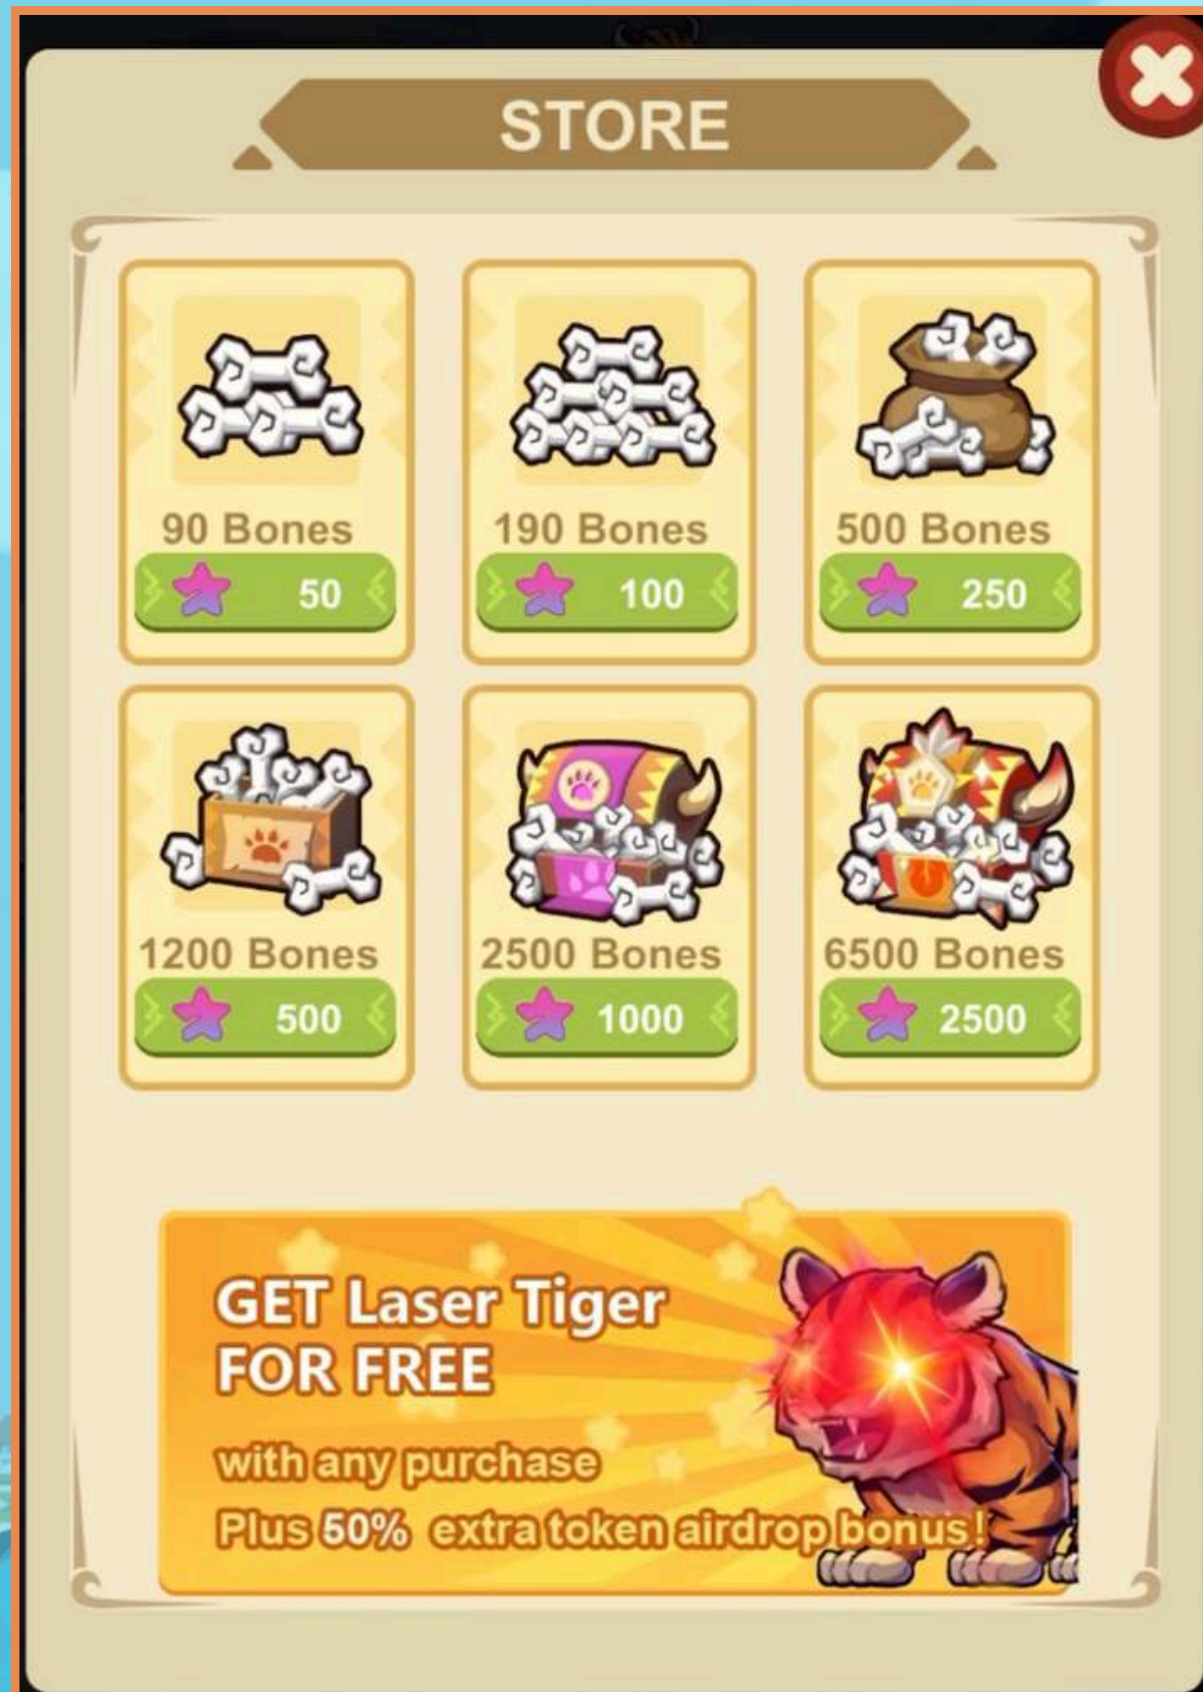

Rewards

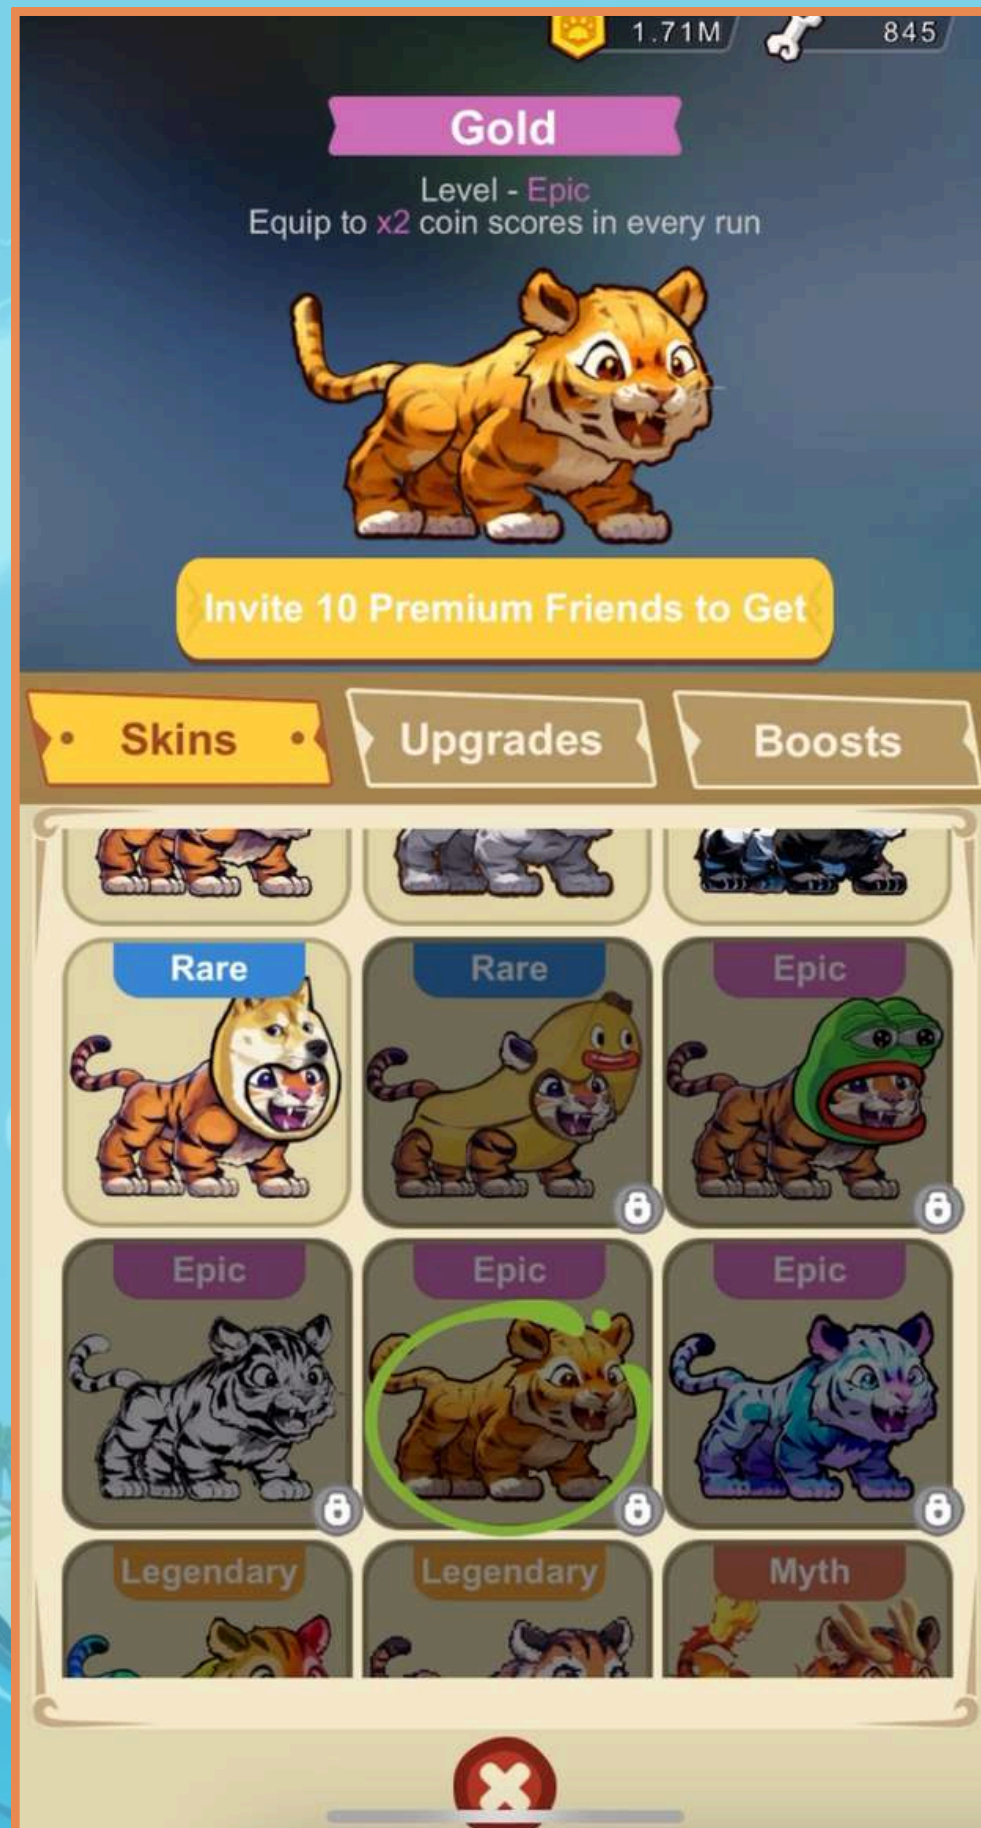

- Earn socres and Bones rewards by completing daily tasks, basic tasks, and game achievements.
- Get more rewards to outperform other players!

Stores

- You can use Telegram Stars, Ton, or USDT to purchase Bones in the store, and the Bones can unlock items and rare skins.
- Any purchase will guarantee you 50% more airdrop rewards!

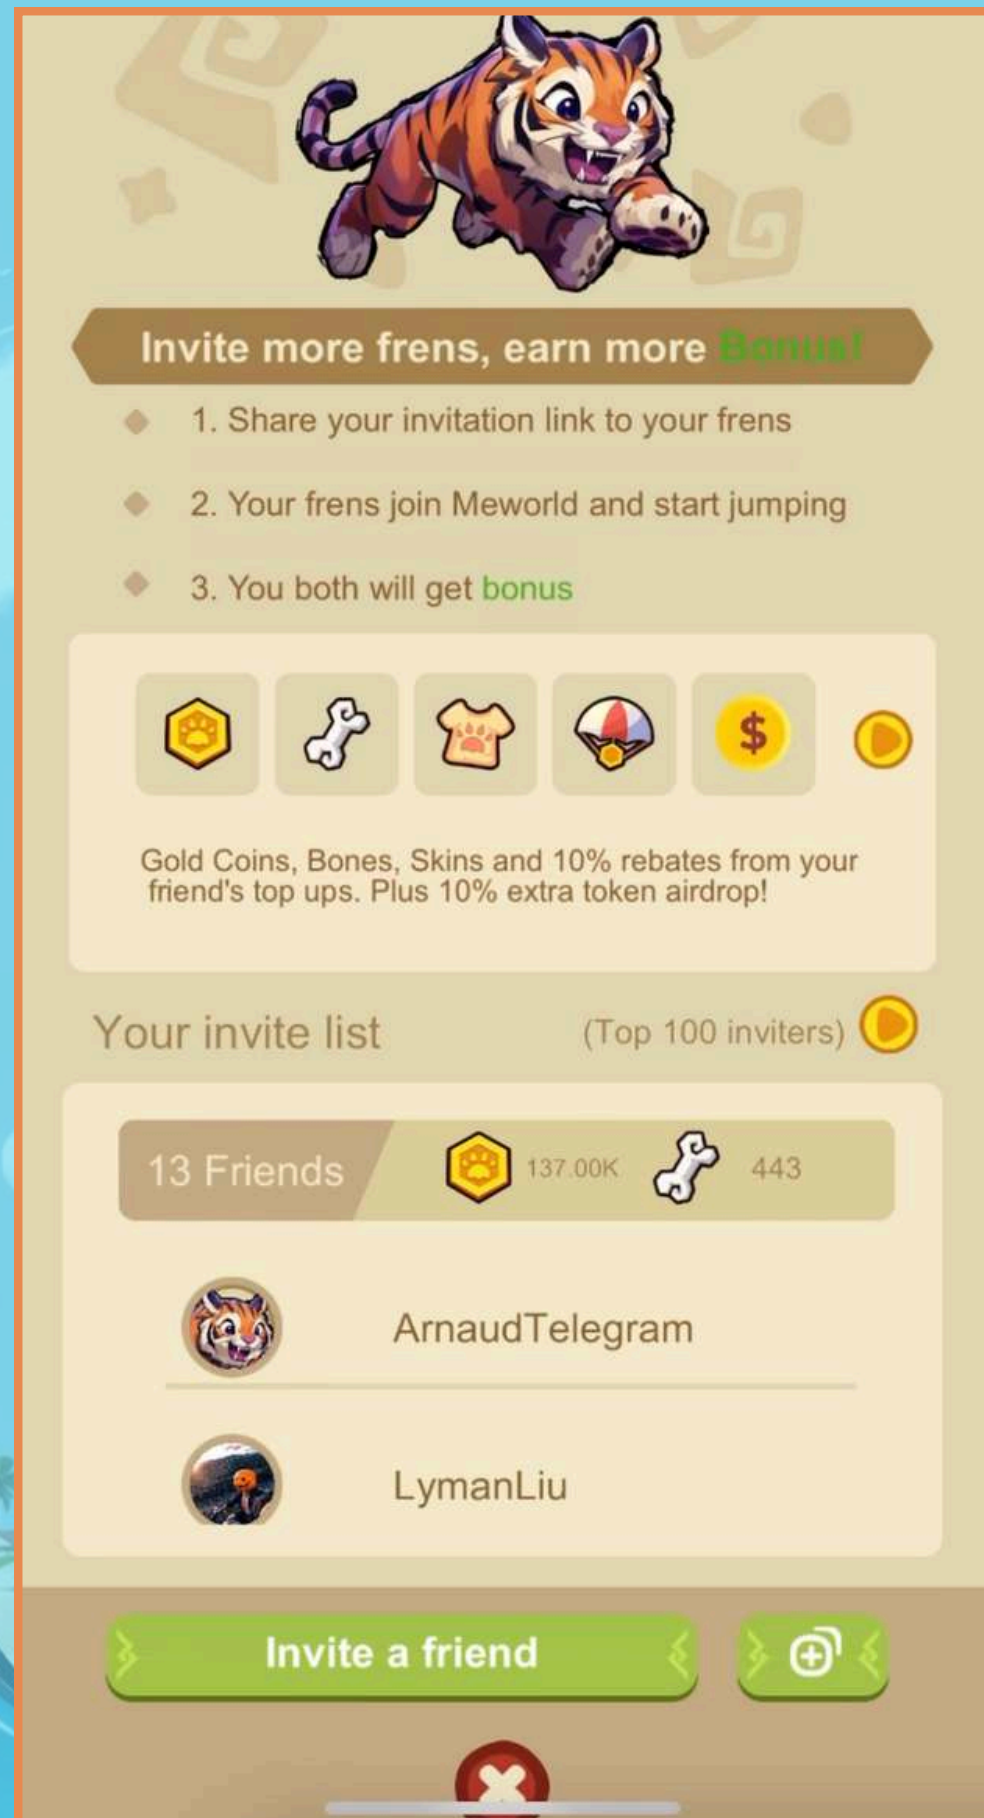

Me

- This is your backpack, where you can purchase or equip various skins. Different skins have different artistic features, and higher-level skins provide greater score bonuses in the game.
- You can also unlock Upgrade and Boost items to improve your performance in the game.

Invite Frens

- Invite more friends to earn more rewards, including gold scores, Bones, skins, more airdrops, and 10% referral rebates!
- Remember, the share of the airdrop largely depends on the quantity and quality of your invitations.
